

THE BARNES FOUNDATION
Art For All Community Pass Program

What is the Community Pass?

Initially launched in 2017, the Community Pass offers free Barnes admission to any participants of Community Engagement and Family Programs initiatives as well as PA ACCESS cardholders. In acknowledgement of the barriers many of our audiences face, the Community Pass program serves as a pathway to equitable access to the Barnes.

Who is eligible?

Anyone who has participated in Community Engagement and Family Programs initiatives, events, and/or programming as well as PA ACCESS cardholders. Participants 17 years and under will need guardian or caregiver permission to sign-up.

What are the benefits?

The benefits are as follows:

- 10% discount on onsite classes and workshops, free enrollment in online classes and workshops for **cardholders only***
- Exclusive access to CEF and Public Program events, programs, and initiatives.
- 10% discount in the Barnes Shop, coffee bar, cafe, and Garden Restaurant
- 10% discount on classes and workshops
- 10% discount on select Public Program events
- \$5 admission to First Friday! at the Barnes
- Discounts on family program events
- Discounted parking (\$2)

*They are encouraged to reserve spots in advance.

How are Community Passes distributed?

For participants of CEF programming, Carolina and/or CEF team collect information from those interested in obtaining a Pass. Each participant is then entered in ACME under "Community Pass> [CEF PROGRAM]". Once entered in ACME, the cardholder will receive an email confirming their membership. They will then receive this email which contains their membership ID, and they can start using their Community Pass digitally! Physical cards and letters are distributed on a **quarterly basis** and mailed by Carolina and/or team. **Philadelphia residents also receive two (2) two-way SEPTA passes** to cover the cost of their first trip to the Barnes! The SEPTA passes are included in the mailed materials. As of 2022, all written information sent to the cardholder is bilingual (English/Spanish).

The Box Office will continue their enrollment procedure for anyone interested in the Community Pass program. Most PA ACCESS Cardholders register through the Box Office.

Can Community Pass cardholders renew their Community Pass?

Yes! Simply direct them to Carolina via email: community@barnesfoundation.org

Who do I contact about the program?

You can contact Carolina about any and all Community Pass and CEF questions at:
cmarinhernandez@barnesfoundation.org
